As recognition of the work Posh Designs provide, we would like to show you a few responses for the hard work we put into each and every wedding or function.

Thanks for making the day work so well – everything was just fantastic and the day went very smoothly - Both you and Vanessa did a fantastic job, the flowers were lovely, the decorations superb! - The cake was stunning. **Teresa Power**

Thanks so much for all your help! We had a great day and it all looked amazing! We were really very happy with your service, especially at such short notice, and everyone commented on how wonderful the tables looked. Thanks!

In case anyone ever asks us to organise an event in Bathurst again we will recommend you of course.

best wishes from us both
